

8by8

Eight by eight inch photographs by eight photographer-artists involved in the Highway 12 Road Trip Photography Workshop. The workshop takes place while driving from Minneapolis, Minnesota into the back roads (Eastern High Plains) of South Dakota.

Each photographer-artist has created 4 works on paper especially for the exhibit. Each participant was asked to have fun and express themselves in anyway they want with images exposed during a past workshop.

Each work of art, some are one of a kind, measure 8 X 8 inches and will be offered for sale for only \$100.00, unframed. The proceeds from these art sales will help support the July 2016 photography workshop.

8by8 exhibit begins on the weekend of Art Attack, November 6, 7, 8, and continues with gallery hours through December 19, 2015.

Art Attack Weekend Hours: Friday 5-10PM, Saturday 12-8PM, Sunday 12-5PM.
